FRONT DESK · HANG AT THE WINDOW

You don't need fluent ASL to help

Library, clinic, DMV, shop — same three moves.

Learn · Practice · Connect
asltoolkit.com

Pen on the counter

Point at the form. Write the next step.

Keep your mouth clear

A hand, mask or mug over your face hides speech.

Wave, then wait

Don't shout the ticket number from behind glass.

If it still isn't working

Type it on your phone and turn the screen around. Access delayed is access denied — don't say you'll explain it later.
