QUESTIONS

Question Signs

Ask with your hands and your face. Lower your brows for WH-questions.

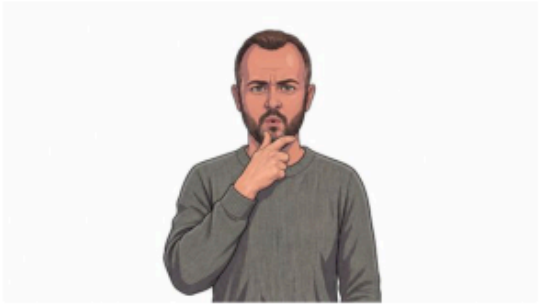
asltoolkit.com

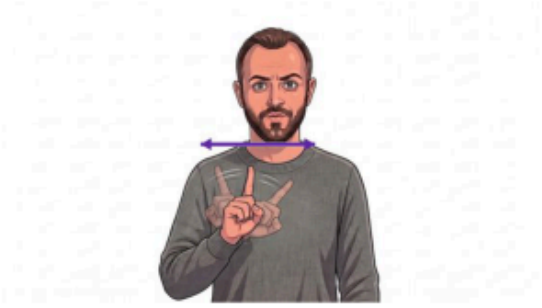


Who

Thumb on the chin, index finger bends near the mouth.

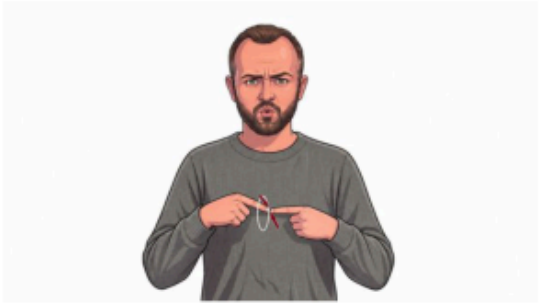
What

Both open hands, palms up, shaken slightly with a questioning look.



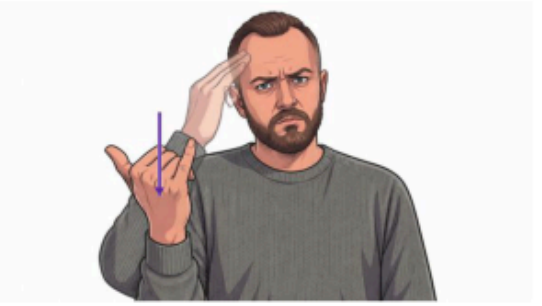
Where

Index finger points up and shakes side to side.



When

One index points up; the other circles it and lands on the tip.



Why

Touch the forehead, then drop the hand into a "Y" shape.

How

Curved hands, knuckles together, roll them up to palms-up.

WH-questions use lowered brows; yes/no uses raised brows.
